

**OPERATING AND SAFETY REGULATIONS**  
**FOR THE PUBLIC USE OF THE LYME TRANSFER STATION**

1. Public access is prohibited in both, the fenced area and in the compactor area, except during business hours. Currently these hours are 8:30 am to 11:00 am Sunday's and Wednesday's from 4:00 pm to 6:00 pm. The gates will be opened and closed promptly at these times.

3. No person shall be allowed within any of the roll-off containers at any time for any reason.
4. Once it is deposited in a roll-off, no material shall be removed from any roll-off, except when the material has been placed in the incorrect roll-off and then only by the attendants. Notify an attendant promptly if you notice something amiss.
5. **Residents should not throw glass and, please, be particularly aware of the eye safety hazard at the glass roll-off.**
6. Trash placed in the compactor truck must be in a tied green Lyme trash bag or in a commercial bag of less than 32 pounds using a pink Lyme Transfer Station Fee Card.

**NO CASH/CHARGE WILL EVER BE ACCEPTED. Please plan accordingly.**
9. All non-recyclable, large items to be discarded shall be paid for using the pink Lyme Transfer Station Fee Card at the published rates before it can be deposited. A full list of rates is available in the handout and on the town website:
